Newsflash: Real-time smartphone connection

## Newsflash

**Real-time smartphone connection: anytime, anywhere – even at 50,000 ft.**

There's no need to put your business or networking on hold.

Enjoy **unrestricted use of your own smartphone** and existing phone number when you're travelling in your business jet! The familiar comfort and privacy of your personal device, coupled with **guaranteed uninterrupted VoIP and internet connection** – delivered via our groundbreaking **Smartphones On Board** solution.

[Click here](#) to find out how you can stay reliably connected in-flight, without any routing through the flight deck.
