

## Dornier 228 Customer Survey 2018

Dear Dornier 228 Community Partner,

Your shared feedback and insights are a valuable source of inspiration for us. Only through our continuing dialog with you can we learn how we as your Dornier 228 OEM can support you and your operations best.

We wrote to you this past September, inviting you to participate in the 2018 Customer Survey. We would like to take this opportunity to express our gratitude to all those Community members who have responded so far.

**If you would still like to participate in the survey, there's still time! The 2018 survey will close Friday, 30 November.** We invite you to take a few minutes to share your thoughts and experiences and to tell us up front, where we perform well and where we need to improve. Participation is easy – just click on the box below.

And, even after the official survey closes, please know we are still listening to what you, the Dornier 228 Community has to say!

Thank you for your support.

Best regards,
