Newsflash: Your Falcon deserves efficient and reliable solutions. We deliver it.

## Newsflash

**Your Falcon deserves efficient and reliable solutions. We deliver it.**

**Consistent quality and innovative services are key to maximising the potential of your Falcon jet. RUAG Aviation provides precisely that at our Falcon Authorised Service Centre in Geneva.**

### One-stop-shop

A convenient single source for any and all your desired services: maintenance, modifications, retrofits, upgrades, refurbishment and painting. Efficiently performed in a single downtime.

### High availability

Your aircraft, ready when you want it. Benefit from reduced downtime and a quick response rate, secured by our adaptive working-time models.

### Proven engineering capabilities

Enjoy state-of-the-art and leading edge technology, from the latest avionics and components to luxury cabin interiors: Our comprehensive know-how keeps your aircraft modern, safe and efficient with our own DOA and in-house certification capability.
