2015; 139; commercial; Swissjet; Switzerland; AW139, Agusta Westland, Leonardo Finmeccanica

MRO / EUROPE | 07/12/2016

RUAG Aviation has been named an authorized service center for the [Leonardo-Finmeccanica AW139](#) helicopter at its locations in Sion and Lugano, Switzerland.

This authorization confirms RUAG Aviation as a full support partner for the AW139 helicopter, including all maintenance, repair and overhaul ([MRO](#)), as well as warranty services.
