Start Summer with a fresh new look for your aircraft.

**Together  
ahead. RUAG**

## Newsflash

### Start Summer with a fresh new look for your aircraft.

Looking to revitalise the appearance of your aircraft with a fresh coat of paint – or perhaps even an entirely new design?

Benefit from premium quality and unparalleled customisation capabilities at the RUAG Aviation Paint Shop.

**Secure your paint slot today – only a few are left!**

Limited paint slots are **available in May and June 2014** for this otherwise fully-booked paint shop, so don't hesitate!

Contact us to find out more.

**Did you know?**

A good paint job goes beyond aesthetics – it improves your aircraft's life cycle by protecting it from the elements.
