Fuel services

In Geneva we can provide fuel services at the RUAG published rate with MOT (Mineral Oil Tax) exemption based on the following:

- The aircraft has to be in maintenance for a minimum of work (above 30 M/hrs)
- The aircraft has to leave Switzerland after the maintenance input
- The fuel invoice has to be paid at the time of delivery (cash/credit card)

“The saving on the fuel MOT might offset some or all of the maintenance labor cost”

The taxes and fees at Geneva are as following:

- MOT (Mineral Oil Tax) CHF 0.74 per liter (unless the departing flight is commercial or maintenance is performed on the aircraft and applicable customs paperwork is processed)
- Airport fee CHF 0.008 per liter
- CO₂ tax CHF 0.0189 per liter (unless the departing flight is commercial)
- VAT of 8% (unless the operation is commercial)
